

# Instructions for Zoom Meetings

## On your computer -

Your teacher may be using Zoom Meetings for your class. You can access this website by clicking the meeting link provided by your teacher, or by clicking [here](#) and entering the meeting number, or by going to [www.zoom.com](http://www.zoom.com) and clicking “join a meeting” and entering the meeting number.

Click "Join a meeting" and enter the meeting number.

Please click "join using my browser" and "use computer microphone." **YOU DO NOT NEED TO DOWNLOAD OR INSTALL ANY SOFTWARE!** If you have a camera, the teacher will be able to see you. If you don't, you can still see your teacher and your classmates!

You may need to “allow” the meeting to use your camera and microphone.

Your teacher will give you further instructions for being part of a Zoom classroom meeting.

## On your phone or tablet -

You will need to go to the App Store (for Apple products) or the Google Play Store (for Android devices) and download/install the Zoom Cloud Meetings app.

After it's installed, you can open the app and join a meeting using the number provided by your teacher.
